Of Democratic County Executive Committee.

Opening Meeting Next Friday Night.

Mr. Werner is a very popular young man and for several years has taken an active part in politics. He has served as secretary of the Barberton Federation of Labor and is especially fitted for the position of secretary of the Democratic committee.

In addition to the selection of a secretary the committee transacted other business of importance which required immediate attention.

Chairman Rogers read a telegram from the secretary of the National Speakers' Bureau, at which it was stated that Hon. August Habercorn had been assigned to speak in Akron Friday of this week.

The Executive committee has arranged to secure Turner hall for this occasion. The distinguished speaker will deliver an address in German to Akron citizens. Mr. Habercorn is a fine orator and will ably discuss Democratic principles on that date. A number of short speeches in English will also be made by local speakers on the same night at Turner hall.

## MINERS

### Appear Very Jubilant.

### Big Strike Is a Complete Success.

### Nearly 125,000 Are Affected by Orders.

### Every Colliery Will be Closed Down.

### Men Cannot be Secured to Replace the Miners.

Scranton, Pa., Sept. 17.—(Spl.)—While the miners of other districts have not fully responded to the call to arms, the miners in this district have set a pace and today even colliery from Forest City to Pittston is closed down.

The suspension of operation is general. While the news from other districts is not as encouraging as was expected, there seems to be no occasion for alarm. A break in the ranks of the United Mine workers would be disastrous and such an occurrence is not expected.

From reports from all over the three anthracite districts it is estimated that 125,000 men, about 88 per cent. of the total number in the districts affected, are idle today and it is expected that by Wednesday, a majority of the collieries now working will be closed.

The Schuylkill district opposed striking from the first, claiming that their grievances were not identical with those of other districts. The company store system was abolished some years ago by the Philadelphia and Reading Coal & Iron company, but the price of powder is the same as that paid by miners elsewhere. The company buys the powder at 90 cents per keg and compels the miners to buy it at \$2.75.

## NEGLECTED

### To Take Precautions.

### Action For Damages Against the County.

### Robinson Estate Is Being Distributed.

Mrs. Lilly Waid Filed Her Petition Monday.

Nathan Rauch Has Large Claim—Court House News.

An action for damages will be filed against the County Commissioners, Tuesday, by Harry Cameron, of Clinton.

Mr. Cameron is the proprietor of a livery stable. Some time ago he filed a claim for \$200 with the Board, alleging that that amount was due for injuries to his horse. The Board turned the claim down. The accident occurred while the South st. bridge was being built. Some one neglected to place lights or barriers across the street and Cameron drove into a pile of iron and timbers injuring his horse so that it was useless. He has placed his claim in the hands of Attorney Rogers, who will file the petition.

### CITY SUED.

Nathan Rauch is the plaintiff in an action for \$5,000 damages. The city is the defendant. Rauch was injured by falling in a trench at the corner of Case ave. and Market st., July 29. He was seriously injured about the head and spine. He alleges that the city failed to place lights or barriers to warn pedestrians of their danger.

### WILL DISTRIBUTE FUNDS.

The administrator of the estate of Thomas Robinson has been ordered to distribute \$8,500 to the heirs. A similar order has been issued to the administrator of the estate of Mrs. Josephine C. Robinson. In her estate the amount to be distributed is \$10,000.

### PETITION FILED.

The petition in the case of Lilly Waid vs. the County Commissioners, was filed Monday. She asks \$5,000 damages for the loss of her son who was killed the night of the riots. The allegations of the petition were printed in the Democrat Saturday.

### OTHER PLEADINGS.

The Northern Ohio Traction company has filed an answer to the petition of James T. Diehm, in which he asks for an order restraining the company from building a double track on East Exchange st. The company alleges that under its franchise it has the right to lay two tracks.

Helen B. Haymond has filed a petition.

### Are Your Kidneys Sick.

Here Is An Easy Way To Find Out

Be sure you need medicine before you take it, but having once found out that you need it—lose no time in getting the best. If it's for the Kidneys, Liver, Bladder or Blood, Rheumatism, Dyspepsia, Chronic Constipation, or the sickness peculiar to women, the best is Dr. David Kennedy's Favorite Remedy, and a very simple way to find out if you need it, is to put some urine in a glass tumbler and let it stand 24 hours; if it then has a sediment or a milky, cloudy appearance; if it is ropy or stringy, pale or discolored, you do not need a physician to tell you that, you should take Favorite Remedy at once. It speedsily cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, burning scalding pain in passing water, the staining of linen by your urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer. All druggists sell Dr. David Kennedy's Favorite Remedy at \$1.00 a bottle, or 6 bottles for \$5.00.

By special and particular arrangement with the manufacturers, our readers can try this grand medicine absolutely free. By simply sending your full name and postoffice address to the Dr. David Kennedy Corporation, Rondout, N. Y., mentioning this paper, when a trial bottle of Favorite Remedy, together with a pamphlet of valuable medical advice, will be sent you by mail postpaid.
